Inclusion Film Panel Presentation: In this presentation, Joey Travolta and a panel of presenters will discuss the recent Inclusion Film Camp experience at North Arkansas Community College in April 2017.

Featured Speaker, Kevin Honeycutt: nationally known for his humorous approach to teaching and reaching students in the digital age. Kevin likes to bring his personal life experience and a sense of humor and creativity to the mission of helping prepare 21st century learners! Kevin grew up in poverty and attended school in many cities across the United States. As he witnessed education around the country he collected powerful experiences that still influence his conversations and his work with educators. He spent 13 years teaching art K-12 in public school and for 17 years spent summers leading creative adventure camps for kids of all ages. In his Keynote presentation, "Chicken Glasses," Kevin will share tools and resources to help kids see one another through kinder, social lenses. Kevin will also speak on "Cyber-Bullying, What Every Teacher Should Know," and "Don't Stay Under the Couch," which is a presentation on Anti-Bullying.
